Created in 1984, the Combined Fund Drive (CFD) was established to consolidate the numerous charitable fundraising campaigns being conducted on state work sites. The purpose of the Combined Fund Drive is to provide one avenue through which Washington State agency and higher education employees can raise money for charities. Employees can give through payroll contribution or at agency fundraising events. The program conducts an annual giving campaign during the final three months of the year, raising millions of dollars for local, national and global charities.

Our Mission

To empower Washington public employees and retirees to strengthen their communities through the funding and support of charities.

Our Values

- We strive for excellent customer service when dealing with each of our stakeholders.
- We value and respect employee choices by providing the widest range of giving opportunities.
- We value innovation that best serves the needs of all CFD stakeholders.
- We consistently improve our operations to increase accessibility and participation.
- We value fostering a partnership among the federations and charities, the CFD Committee, the CFD staff, and state employees.

Benefits for Charities

There are many reasons for a charity to be involved with the Combined Fund Drive. Here are just a few:

- It's FREE to join!!!
- CFD participation saves time and money, reducing administrative and development costs and providing more dollars to actual services.
- Payroll contribution continues to be one of the most cost-effective ways for charities to raise funds.
- Charities can plan out their fiscal years better because they can project donations in advance.
- For some charities, the CFD is their primary source of funding.
- Participating in the CFD can provide access to thousands of potential donors.
